

skin smoothing cream

powered by Active HydraMesh Technology™

what it is

Today's moisturizers need to do more than replace lost hydration. The latest scientific research indicates that healthy skin starts with a balance of hydration, a strong lipid barrier and optimal skin microbiome – so we evolved Skin Smoothing Cream's formula to provide 48 hours of continuous hydration while simultaneously locking in moisture and protecting skin's beneficial bacteria.

key benefits

Skin Smoothing Cream now features Active HydraMesh Technology™, a state-of-the-art complex that works to:

- Infuse skin with 48 hours of vital moisture
- Distribute hydration throughout the skin to lock in moisture
- Shield skin's natural microbiome from environmental stress

application

After cleansing and toning, apply over face and throat in light, upward strokes. Use twice daily, morning and night.
