

# PRO restore

## RECOVERY + FIRMING CONCENTRATE

Decrease downtime.  
Improve skin recovery.  
Amplify results.

### Post-microneedling treatment: decrease of side effects

*Right after microneedling at 1.25mm*

Subject received one microneedling treatment all over face. On one side of the face, Pro Restore was applied prior to microneedling, was used during microneedling, and applied post microneedling. On the other side of the face, a control conventional Hyaluronic Acid serum for microneedling was used.

### Post-fibroblast skin tightening treatment: reduced downtime

*Day 5 post-treatment*

Subject received one fibroblast skin tightening treatment on the crows' feet area. On one side, Pro Restore was applied from the second day post-treatment morning and evening. On the other side, nothing was used (conventional method).

### Post-microneedling treatment: decrease of redness

*1 hour post-microneedling at 1.25mm*

Subject received one microneedling treatment all over face. On one side of the face, Pro Restore was applied prior to microneedling, was used during microneedling, and applied post microneedling. On the other side of the face, a control conventional Hyaluronic Acid serum for microneedling was used.

**dermalogica** PRO

**Post-fibroblast skin tightening treatment: faster recovery**

*Day 5 post-treatment*

Subject received one Fibroblast Skin Tightening treatment on the crows feet area. On one side, Pro Restore was applied from the second day post-treatment morning and evening. On the other side, nothing was used (conventional method).

**RF microneedling: improvement in skin recovery**

*Day 4 post microneedling*

Subject received one RF microneedling treatment all over face. On one side of the face, Pro Restore was applied before and after RF Microneedling. For home care, Pro Restore was applied morning and night daily for 7 days with a moisturizer. On the other side of the face, only a moisturizer was used.

**RF microneedling: decrease in scabbing**

*Day 2 post RF microneedling*

Subject received one RF microneedling treatment all over face. On one side of the face, Pro Restore was applied before and after RF Microneedling. For home care, Pro Restore was applied morning and night daily for 7 days with a moisturizer. On the other side of the face, only a moisturizer was used.
