dermalogica

Hello Professional Skin Therapists,

Each year Dermalogica reassesses our product pricing to accommodate for the rising cost of ingredients, materials, manufacturing, and to ensure that our products are competitively priced in the market. Starting February 1, 2023, price adjustments on Dermalogica retail and professional products will go into effect.

The new Dermalogica Order Form reflecting these adjustments will be available on February 1st when prices have been updated. To prepare in advance for this adjustment, 2023 Shelf Talkers will be available to purchase from buy.dermalogica.com on January 1st. The new suggested retail pricelist that incorporates price increases and discontinuations will also be available to download from the Business Center on January 1st. To access updated order forms and retail pricelists: log on to the new Business Center – select the “Marketing” tab – select “Forms”

Thank you, as always for your ongoing partnership.

Best,

Diana Dennett
