

the complete guide to eye treatments

story highlights

The tissue around the eyes is some of the thinnest on the body. Eye treatments can help fine lines, puffiness and wrinkles.

Lift sagging skin, reduce puffiness, banish dark circles, minimize wrinkles: here's your ideal eye treatment.

The skin around our eyes is thinner and more delicate than anywhere else on the body. Finding the right eye treatment for your skin can go a long way toward keeping your eye area looking and feeling healthy. Read on to find the eye treatment that's right for you:

the best eye treatment to lift sagging eyes

See a visible lift after just 1 use*: **Phyto Nature Lifting Eye Cream** delivers an immediate lift and reduced signs of skin aging over time.

- Visibly lifts and firms and reduces eyelid folds
- Smooths and reduces the appearance of fine lines and wrinkles
- Hydrates and visibly redensifies skin

*Obtained during independent clinical testing of 31 people, 2 applications/day for 8 weeks

the best eye treatment for puffy, swollen or tired eyes

Energize your eyes: **Awaken Peptide Eye Gel** utilizes powerful firming peptides and plant-derived technology to smooth away fine lines and reduce puffy eyes.

- Visibly firms and smooths skin texture
- Minimizes the appearance of fine lines and wrinkles
- Reduces the appearance of puffiness around the eye area

the best eye treatment for dull skin and uneven pigmentation

Give your eyes a boost: **BioLumin-C Eye Serum** re-energizes the skin around the eyes with Vitamin C to dramatically brighten and visibly firm.

- Brightens the eye area with a boost of Vitamin C
- Reduces the appearance of fine lines and wrinkles
- Exfoliates and hydrates for smooth, healthy-looking skin

the best eye treatment for stressed, tired eyes

Whether you're low on sleep, battling allergies or just plain stressed, **Stress Positive Eye Lift** is our top pick for hydrating and brightening to reduce the visible signs of stress.

- Firms skin to help generate a lifting effect
- Visibly depuffs the under-eye area
- Brightens the appearance of dark under-eye circles

the best eye treatment for wrinkles and crow's feet

Combat the appearance of premature signs of aging with **Age Reversal Eye Complex**. Its microencapsulated Retinol technology works overnight to smooth the appearance of wrinkles and crow's feet.

- Diminishes the appearance of fine lines
- Infuses skin with critical hydration
- Helps repair signs of photoaging and defends against further damage

the best eye treatment for fine lines

Firm the appearance of lines and wrinkles: **MultiVitamin Power Firm** is formulated with powerful skin-fortifying antioxidants to protect and repair.

- Increases skin resilience and firmness
- Protects against moisture loss to help minimize fine dryness lines
- Shields against free radicals to help prevent environmental stress
