dermalogica PRO

complimentary product program for experts

steps to qualify for select 2027 product innovations
(education requirements to be completed in 2026)

As an Expert, you unlock a host of exclusive benefits, designed to elevate your professional journey. Enjoy greater knowledge, increased profits, and enhanced recognition. Among these advantages, gain first access to key product innovations, ensuring you stay at the forefront of your field. Review the eligibility requirements below to qualify for this reward.

employment

You must be employed and linked to an active account.

address

Ensure we have your correct mailing address on file by reaching out to one of our Education Guidance Team members at 1-888-29-25277 (CLASS) or idi.corporate@dermalogica.com.

status

Attain Expert status at least one month before the designated product launch.

education

complete 2 workshops in *2026*

Workshops are led by a live instructor and can be in-person or via d streaming. This excludes online courses (courses that are self-paced). Please see attached list of eligible workshops.

Exemption: Students who attain Expert Status in 2026 will be exempt from this education requirement.

contact us

Our Education Guidance Team is dedicated to assisting you with any information regarding eligibility.
